Should all 3 vaccinations not have been done at the time of adoption, follow-up vaccines are not covered by CARE. We do our very best to place only healthy animals for adoption, but animals with unknown backgrounds can become sick. If this occurs, you have the option of returning the animal to CARE, or having it treated at your own expense by your veterinarian. If you choose to return the animal for this or any other reason, please understand that NO REFUND will be given.

I certify that all information I have given is true, and I understand that false information may result in nullifying this adoption.

Adoption Agreement

Please give careful consideration to adopting a companion animal. Animals are not toys or short-term commitments. Make sure your lifestyle allows the time, patience and expense this animal will need over the next ten or more years.

1. Animals are placed to live in a private residence only. The animal must not be lent, rented or sold as a guard dog or used for dog fighting, vivisection, food or in commerce of any kind. The animal must be kept as a domestic pet at all times.
2. The adopter will feed and house the dog or cat in a suitable environment to the satisfaction of CARE. Cats should remain indoors at all times for their safety. In the case of a dog, the adopter will keep it as an indoor house pet or in a reasonably large fenced area with adequate shelter from outdoor weather conditions. In the case of a dog, the adopter will exercise the animal regularly. No animal may be allowed to roam off the owner's property.
3. Cats must not be declawed and animals cannot be altered for cosmetic or human convenience purposes (i.e. ear cropping, tail docking, etc.).
4. The adopter must provide the animal with necessary veterinary care upon sickness, disease or injury. In addition, animals must be taken to the vet once a year for routine vaccinations and check-up and, in the case of dogs, maintained on preventative heartworm medication (CARE recommends that cats are also placed on heartworm medication).
5. The adopter assumes full financial responsibility for the animal.
6. The animal must be maintained humanely and in accordance with all laws and ordinances in force in the jurisdiction in which the animal resides.
7. The animal should wear proper identification at all times, and dogs must be licensed with the Department of Agriculture.
8. If lost or stolen, CARE must be notified within 24 hours.
9. The animal must not be given away, sold or exchanged. **Unwanted animals must be returned to CARE.** If an animal is returned to CARE or reclaimed by CARE, there is no refund of the adoption fee or any money spent on that said animal.
10. CARE reserves the right to investigate unannounced, the living conditions of any animal adopted from it and has the right to reclaim and repossess any such animal at any time if it is being kept in violation of the Adoption Agreement. The Adoption Agreement, for the avoidance of doubt, includes these Adoption Rules and Conditions.

I, (adopter's name) _____, have read the ten (10) Adoption Rules stated above. I understand the Rules and hereby agree to fully comply with them. I further understand that the Rules form an integral part of this Adoption Agreement and are legally binding and enforceable by CARE against me. I agree to surrender to an agent of CARE any animal adopted from CARE should CARE decide that the animal is being kept in violation of the Rules. CARE are willing to accept the animal back at any time if for any reason I no longer wish to or am unable to, keep the animal.
